What's the craic with the buses?

Go North East (the bus company) are providing double decker buses and a round trip to and from North Shields & Tynemouth for all ticket holders. They're even popping up temporary bus stops along the route. Canny eh?

Box office / Wristband Exchange

In order to gain entry into the festival / individual venues, you will need to head to our box office (Located at The Watch House venue) on the day to exchange your ticket for a festival wristband. This will permit you entry to all venues.

Can I purchase tickets on the door?

We advise customers to purchase tickets in advance to avoid missing out. But! If tickets don't sell out there will likely be an allocation available at the box office... more expensive of course!

How old do you have to be to attend?

As the festival operates within a bunch of different venues, ASTF is predominantly a 16+ event but under 18s must be accompanied by a responsible adult to enter Salt Market Social.
